Edition 2

This week's editor is Wilson

Dear God,

Thank you all your love and support, please
keep us safe always.

Amen

(By Ella)

Science

This week in science we have been continuing to look at states of matter, and have been exploring melting points of solids. The states of matter are solids, liquids and gases. We loved exploring melting points of butter, chocolate and sweets. (By Eva, Midori and Lilla)

Mathematics

This week we have been looking at area, we have been comparing areas of different shapes. We did a fun practical lesson looking at how we can use the same size square, to make different shapes which then all have the same area! Also we have been continuing to practice our timetables. (By William M & William H)

Collective Worship

This week we learnt how to be prepared. We talked about times when we weren't prepared, then we read Matthew 25: 1-13. This bible story is about 10 ladies who had oil lamps. 5 were foolish and didn't bring extra oil for their lamps and 5 were wise and did bring extra oil. When then foolish ladies came back with more oil they have been shut out and couldn't get in. We always need to be prepared, 'So, my disciples, always be ready! You don't know the day or the time when all this will happen' (Matthew 25: 13) (By Olivia & Ciara)

English

This week in English we have been looking at storytelling. On Monday we started by looking at some different Norse myths, then during the week we created our own 'story stones'. Story stones can be used to help us with storytelling. (By Tommy & Dexter)

P.E.

This week in P.E. we looked at hockey. We practiced moving the ball using the hockey stick and passing the ball to someone else. One important rule to remember is the hockey stick must not go higher than your waist. (By Adam & Connie)

Art

This week we have been creating pom-poms, we will be using our pom-poms to make snowmen Christmas decorations. We started by making our own templates before wrapping wool round and round the template. Once we have finished making the pom-poms we get the decorations to look like snowmen. (By Lillia & Ocean)

French

This French this week we have been looking at saying 'What is your name', and 'My name is'. This is how you say my name is in French 'Je m'appelle Jobey'. (By Jobey)

Anti-Bulling Week

This week we have learnt about why it is important to always be kind to others. We learnt about what to do if we are being bullied or if we see bullying, ALWAYS TELL AN ADULT! We also looked at our class worry boxes where we can write down and put our worries for our teacher to read. (By Evelyn and Beau)

Thank you for coming to our class assembly! We have been learning about Children In Need, Pudsey bear is the mascot for Children In Need. Children In Need is a UK charity which helps to support children who need extra help and support. (By Celine, Aditi and Kiana)
