- Multiplying and dividing by 10, 100 and 1000
- Calculations

Where did the Dinosaurs Roam?

Science: Evolution and Inheritance

- recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
- recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
- identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

French

1 hour of French a week.
