ur

Can you remember this sound?

ir

whirl and twirl

ur

nurse with a urse

Today we are going to learn another way to spell the 'ir/ur' sound.

How many letters are in the sound?

What are the names of those letters?

How is it different to the graphemes we have learnt before?

Grapheme = written representation of the sound

er

Practise saying the sound and the picture

er

a better letter

Now we know 3 ways to read and write the same sound

ir

whirl and twirl

ur

nurse with a purse

er

a better letter

Practise reading these green words that use the 'er' digraph.

Write each word and put sound buttons underneath. Write how many sounds are in each word.
