# **COVID-19 school closure arrangements for Safeguarding and Child Protection at St William of Perth**

St William of Perth school has a Designated Safeguarding Lead (DSL) and a Deputy DSL.

The Designated Safeguarding Lead is: J. Willis

The Deputy Designated Safeguarding Lead is: A. Kinslow

**School Name: St William of Perth**

**Policy owner: J. Willis**

**Date: 12<sup>th</sup> January 2021**

**Date shared with staff: 12<sup>th</sup> January 2021**

## **1. Context**

- From 4<sup>th</sup> January parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend
- Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.
- This addendum of the St William of Perth Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

## 2. Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Vulnerable children and young people include those who have been identified as otherwise vulnerable by educational providers or local authorities (including children's social care services), and who could therefore benefit from continued full-time attendance, this might include:

- children and young people on the edge of receiving support from children's social care services or in the process of being referred to children's services,
- adopted children or children on a special guardianship order,
- those at risk of becoming NEET ('not in employment, education or training')
- those living in temporary accommodation,
- those who are young carers, those who may have difficulty engaging with remote education at home (for example due to a lack of devices or quiet space to study)
- care leavers

- others at the provider and local authority's discretion including pupils and students who need to attend to receive support or manage risks to their mental health

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

St William of Perth will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: J. Willis

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and St William of Perth will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, St William of Perth or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

St William of Perth will encourage our vulnerable children and young people to attend a school, including remotely if needed.

### **3. Attendance monitoring**

Local authorities and education settings do not need to complete their usual day-today attendance processes to follow up on non-attendance.

St William of Perth and social workers will agree with parents/carers whether children in need should be attending school – St William of Perth will then follow up on any pupil that they were expecting to attend, who does not. St William of Perth will also follow up with any parent or carer who has arranged care for their child (ren) and the child(ren) subsequently do not attend.

#### **HOW WILL THIS LOOK IN YOUR SCHOOL?**

To support the above, St William of Perth will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, St William of Perth will notify their social worker.

### **4. Designated Safeguarding Lead**

St William of Perth has a Designated Safeguarding Lead (DSL) and a Deputy DSL.

The Designated Safeguarding Lead is: J. Willis

The Deputy Designated Safeguarding Lead is: A. Kinslow

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

This might include updating and managing access to child protection online management system, and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

It is important that all St William of Perth staff and volunteers have access to a trained DSL (or deputy). On each day staff on site will be made aware of that person is and how to speak to them.

The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

## **5. Reporting a concern**

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this can be completed remotely via email.

In the unlikely event that a member of staff cannot access their email from home, they should phone the Designated Safeguarding Lead, Headteacher or SLT member so that their concern can be passed on. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should use a email to report the concern to the headteacher/DSL. If there is a requirement to make a notification to the headteacher/DSL whilst away from school, this should be done verbally and followed up with an email to the headteacher/DSL.

If a child is at risk of imminent danger or harm concerns will need to be referred by telephone to **First Response 01634 334466 and/or the police**. If it is an emergency the police need to be called on 999.

**If there are child protection concerns the role of the school is NOT to investigate but to recognise and refer**

**Less urgent concerns or requests for support will be referred to Children's social care and Early Help via the Medway online form ([the portal](#))**

## **6. Allegations Against Members of Staff and Volunteers**

All staff and volunteers should feel able to raise concerns about poor or unsafe practice and such concerns will always be taken seriously by the senior leadership team.

If staff have safeguarding concerns, or an allegation is made about another member of staff (including volunteers) posing a risk of harm to children, then:

- Allegations should be referred immediately to the Head Teacher or deputy in their absence who will first contact the Local Authority Designated Officer (LADO) to agree further action to be taken in respect of the child and staff member. Please refer to the Medway [LADO Leaflet](#) if you need further information.
- In the event of allegations of abuse being made against the Headteacher then staff are advised that allegations should be reported to the Chair of Governors, Mr R Fredericks / Ms L O'Hara who will contact the LADO in the first instance.
- Any member of staff or volunteer who does not feel confident to raise their concerns with the Headteacher or Chair of Governors should contact **the LADO directly on 01634 331065**.

## **7. Safeguarding Training and induction**

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2020). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter St William of Perth, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

## **8. Safer recruitment/volunteers and movement of staff**

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, St William of Perth will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2020) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where St William of Perth are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

St William of Perth will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

St William of Perth will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk)

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, St William of Perth will continue to keep the single central record (SCR) up to date as outlined in KCSIE.

## **9. Online safety in schools and colleges**

St William of Perth will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

## **10. Children and online safety away from school and college**

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the St William of Perth code of conduct.

St William of Perth will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be blurred.
- The live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including any family members in the background.
- Staff must only use platforms provided by St William of Perth to communicate with pupils
- Staff should record, the length, time, date and attendance of any sessions held.

## **11. Supporting children not in school**

St William of Perth is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded on safeguarding forms as should a record of contact that has been made.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

School name and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

St William of Perth recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Teachers at St William of Perth need to be aware of this in setting expectations of pupils' work where they are at home.

St William of Perth will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child.

## **12. Supporting children in school**

St William of Perth is committed to ensuring the safety and wellbeing of all its students.

St William of Perth will continue to be a safe space for all children to attend and flourish.

The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

St William of Perth will refer to the Government guidance for education and childcare settings on how to implement control measures and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

St William of Perth will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded where appropriate.

Where St William of Perth has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – will discuss them immediately with the governors.

## **13. Peer on Peer Abuse**

St William of Perth recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded and appropriate referrals made.
